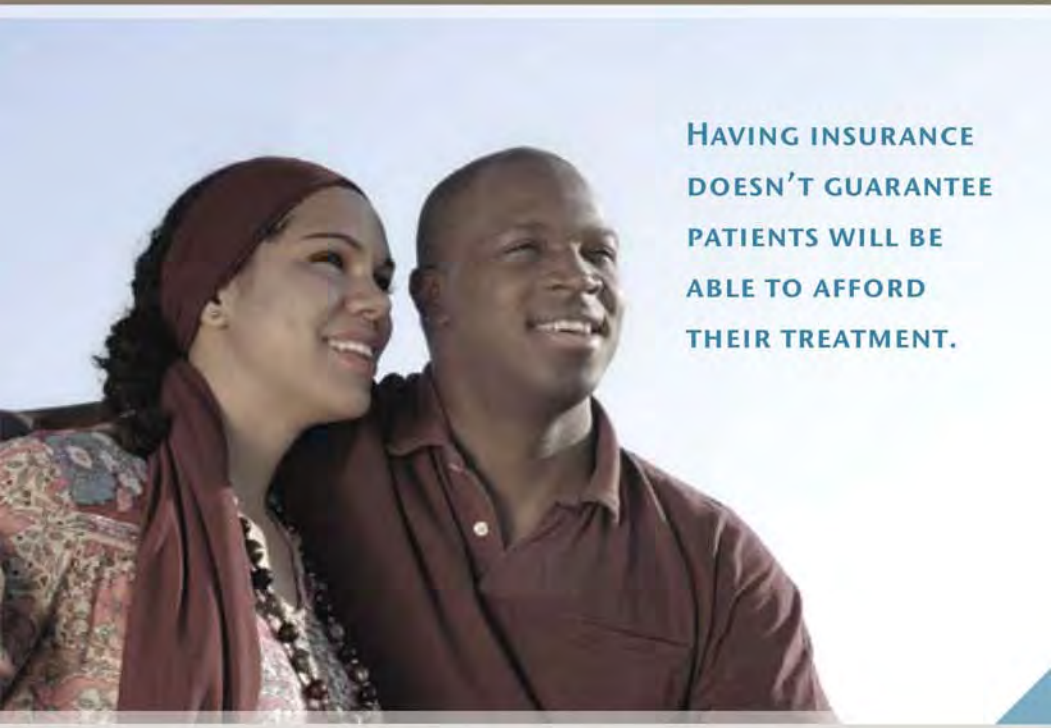
Co-Payment Assistance Foundation

We're here to help.



The Cancer*Care* Co-Payment Assistance Foundation is here to help.

We are a nonprofit organization that helps people being treated for cancer afford the insurance co-payments on the prescription medicines they need.

"Am I eligible?"

To be eligible, you must meet certain criteria related to your diagnosis, treatment and financial situation. You must also have private insurance or Medicare that covers a portion of the prescribed chemotherapy or cancer drug. Financial help is not available for radiation treatment or symptom management.

Diagnoses covered

At this time, we provide co-payment assistance to people with the following diagnoses:

- Breast cancer
- Colorectal cancer
- Gastric cancer
- Glioblastoma
- Head and Neck cancer
- Non-Small Cell Lung cancer
- Pancreatic cancer
- Prostate cancer
- Renal Cell cancer

New diagnoses may be added as funding becomes available. For the latest information, please check our website:

2. Mail or fax the completed forms to Cancer*Care*.
3. If you are approved for co-payment assistance, we will let you know how to access your award.

"What if I'm not eligible?"

If we determine that you do not qualify for co-payment assistance, we will refer you to other organizations or patient assistance programs that may be able to help.
