

Our Mission

CancerCare® is a national nonprofit, 501 c(3) organization that provides free, professional support services to anyone affected by cancer: people with cancer, caregivers, children, loved ones, and the bereaved. CancerCare programs—including counseling and support groups, education, financial assistance and practical help—are provided by professional oncology social workers and are completely free of charge. For more information, call 1-800-813-HOPE (4673) or visit www.cancercare.org.

What is the San Antonio Breast Cancer Symposium?

For thirty-five years, the Symposium's mission has been to provide state-of-the-art information on breast cancer research. From a one-day regional conference the Symposium has grown to a five-day program attended by a broad international audience of academic and private researchers and physicians from over 90 countries. The Symposium aims to achieve a balance of clinical, translational, and basic research, providing a forum for interaction, communication, and education for a broad spectrum of researchers, health professionals, and those with a special interest in breast cancer.

How will this Workshop help you?

Women living with breast cancer, their families, friends and health care professionals eagerly await the new research findings and information presented at the Annual Symposium, which took place from December 4-8, 2012 in San Antonio, Texas. This CancerCare Connect® Workshop will summarize and communicate to you the new knowledge reported at the Symposium in a format that is easy for you to understand. You will learn about new treatment approaches, recent developments in personalized medicine, advances in clinical trials and much more. You will also have the opportunity to ask questions of our panel of experts.
