

CancerCare's Mission

CancerCare is a national nonprofit, 501 c(3) organization that provides free, professional support services to anyone affected by cancer: people with cancer, caregivers, children, loved ones, and the bereaved. CancerCare programs—including counseling and support groups, education, financial assistance and practical help—are provided by professional oncology social workers and are completely free of charge. For more information, call 1-800-813-HOPE (4673) or visit www.cancercare.org.

October 25, 2012

A free Connect® Workshop for people living with metastatic breast cancer, their families, friends and health care professionals

You can listen to this workshop over the telephone or connect to our webcast online.

What is a Connect® Workshop?

CancerCare's free Connect® Workshops are a way for people to learn about cancer-related issues from the convenience of their home or office. Leading experts in oncology provide the most up-to-date information on the telephone.

How do I participate?

You can listen to this workshop on the telephone or via live streaming through the Internet. Participation is free.

How do I register?

There are three ways to register:

- Mail this registration form to CancerCare
- Call **1-800-813-HOPE (4673)**
- Register online at **www.cancercare.org/connect**.

After you have registered, you will receive additional information.

Missed a Connect® Workshop?

A listing of featured programs is available by calling **1-888-337-7533**, 24 hours a day, 7 days a week.

You can also listen to previous workshops on the CancerCare web site. Just log on to **www.cancercare.org/podcasts**.

Professional Continuing Education Credits

This program is approved for 1.0 Contact Hour to social workers upon verification of completion. The University of Texas MD Anderson Cancer Center is an approved provider through the Texas State Board of Social Work Examiners, provider #CS4607.

Any questions about Professional Continuing Education Credits should be directed to: connect@cancercare.org.

This program was made possible by an unrestricted educational grant from Novartis Oncology.

This program was made possible with support from Eisai Oncology.
