

CANCERCARE®

# Speakers Bureau

**CANCER CHANGES EVERYTHING. CANCERCARE® CAN HELP.**

**Need an expert? CancerCare® has a leading group of oncology professionals available to speak on a large variety of topics such as:**

- Managing financial challenges
- Explaining how counseling and support groups work and benefit patients and their loved ones
- Speaking with children and family about cancer
- Finding up-to-date and reliable information and resources
- Managing treatment side effects including pain, nausea and memory problems
- Communicating more effectively with health care professionals
- Going back to work after treatment
- Coping with recurrences or an advanced diagnosis

## **CancerCare® Spotlight Speakers**

### **Rosalie Canosa, MSW, MPA, LCSW-R | Program Division Director**

Rosalie leads CancerCare's diverse team of oncology social workers. She has devoted her career to helping patients and families cope with life-threatening illnesses in medical settings.

### **Jane Levy, MSW, LCSW-R | Director of Patient Assistance Programs**

Jane leads CancerCare® Patient Assistance Programs, offering limited financial assistance for cancer-related costs and providing essential resources for those affected by cancer.

### **William Goeren, MSW, LCSW-R | Director of Clinical Services**

William has more than 25 years social work experience in oncology, palliative and hospice care and mental health.

### **Michele McCourt | Director, CancerCare® Co-Payment Assistance Foundation (CCAF)**

Michele has overseen the implementation of dozens of national patient assistance and premium/co-payment assistance programs. She brings more than 24 years of experience in patient services to CancerCare®.
