# The CancerCare LegalHealth Clinic

**CancerCare and the LegalHealth division of the New York Legal Assistance Group (NYLAG) have joined in a collaboration called the Palliative Care Advocacy Project, funded by the Fan Fox and Leslie R. Samuels Foundation, to establish free legal clinics for New York City CancerCare clients (persons with cancer and their caregivers).**

LegalHealth, a division of NYLAG, focuses on assisting clients with health care-related legal needs. LegalHealth attorneys will provide assistance with government benefits, immigration, insurance disputes, debtor/creditor issues, employment matters, housing, custody planning, estate planning, and advance directives.

## LOCATION

The CancerCare LegalHealth Clinic is held telephonically on Thursdays. Appointments are mandatory.
