

# COPING CIRCLE WORKSHOP SERIES:

## BREAST CANCER: WHAT YOU NEED TO KNOW

One day workshop on navigating the various challenges during and after a breast cancer diagnosis.

Sam Fortune, LCSW  
Women's Cancer Program Coordinator

Led by CancerCare oncology social workers, this workshop aims to provide educational information about breast cancer and provide practical skills for coping with diagnosis and treatment.

This program is open to national clients and is free, but pre-registration via Zoom is required.

## WORKSHOP DATE

**TUESDAY, OCTOBER 24, 2023 from 12 p.m. - 1 p.m. ET**

During this workshop, participants will be given an overview of the breast cancer experience from diagnosis onward such as initial thoughts and feelings that may arise. Topics will further explore the specific barriers breast cancer patients encounter such as physical, emotional, psychosocial and practical issues.

Participants will receive tips on how to navigate these challenges followed by an open Q&A discussion.

*This workshop is supported by:*
