

LONG ISLAND COMMUNITY VIRTUAL PROGRAM: BREAST CANCER SURGERY

CANCERcare®

Over 75 Years of Help and Hope

What you need to know. A virtual workshop through Zoom.

Sam Fortune, MSW, LMSW
Women's Program Coordinator

CancerCare will offer a free 90-minute virtual workshop through Zoom, available to clients diagnosed with breast cancer and living on Long Island.

This program is free, but pre-registration via Zoom is required.

DATE

THURSDAY, MARCH 16, 2023 from 1 p.m. - 2:30 p.m. ET

In this workshop, clients will learn about the types of breast cancer surgery, and how to cope with the changing physical and emotional impacts of treatment. Moderated by an oncology social worker, participants will receive practical tips, coping skills and techniques and an overview of other CancerCare programs, including the wig and prosthesis clinic.
