We're Talking About It!

Thursday, October 25, 2018

CancerCare and the Department of Psychosocial Support Services at Saint Barnabas Medical Center are offering a 2-hour workshop for parents or caregivers with cancer, their partners and their children, ages 5 and up. The workshop, led by licensed social workers from CancerCare and Saint Barnabas Medical Center, will help families learn to cope and communicate with each other more effectively. We will include discussion of your children's needs for accurate information and emotional support as your family copes with cancer and its treatment.

Join us for pizza, fun activities for the kids and an evening of sharing and support.
