

Cognitive Fitness: Beating Brain Fog

CancerCare is partnering with ReVital Cancer Rehabilitation to offer a free educational workshop, Cognitive Fitness: Beating Brain Fog.

A licensed speech-language pathologist will provide valuable education on understanding and managing cancer-related cognitive changes.

This program is open to individuals diagnosed with cancer, either currently in treatment or post-treatment, who are living in New York or New Jersey.

Enjoy light refreshments!

WEDNESDAY, OCTOBER 29, 2025 FROM 5 - 6 P.M. ET

This program will take place at CancerCare's New Jersey office: 1 Kalisa Way, Suite 205, Paramus, NJ.

If you are unable to attend in person, the program will be provided virtually. A Zoom link will be provided after registering.

Registration is required.

For more information or to register, contact Nikki Molfetas at nmolfetas@cancercare.org or call CancerCare's Hopeline at 800-813-HOPE (4673).
