

NUTRITION DURING CANCER AND BEYOND

COPING CIRCLE WORKSHOP SERIES

Free, virtual workshop series covering nutrition during and after cancer treatment.

CancerCare is partnering with Savor Health to host a two-part webinar series to support and empower cancer patients through nutrition-focused programming, including interactive and educational webinars and/or cooking demonstrations.

This virtual workshop series is open to national clients and is free, but pre-registration via Zoom is required.

This workshop is sponsored by The Anna Fuller Fund.
