About Us
Founded in 1944, CancerCare is the leading national organization providing free, professional support services and information to help people manage the emotional, practical and financial challenges of cancer. Our comprehensive services include counseling and support groups over the phone, online and in-person, educational workshops, publications and financial and co-payment assistance. All CancerCare services are provided by oncology social workers and world-leading cancer experts. To learn more, visit www.cancercare.org or call 800-813-HOPE (4673).

The Role of Diagnostic Technologies in Transforming the Treatment of People Living with Cancer

A Two-Part Series

1:30 - 2:30 PM Eastern Time

Monday, December 20, 2021
Monday, January 31, 2022

A free CancerCare Connect® Education Workshop Series for people living with cancer, their families, partners, caregivers, friends and health care professionals.

Listen to these workshops over the telephone or connect to our webcasts online.
What is a CancerCare Connect® Education Workshop?
CancerCare Connect® Education Workshops are a cost-free way to learn about cancer-related issues from the convenience of your home or office. Leading experts in oncology provide the most up-to-date information on the telephone and online.

How do I participate?
You can listen to these workshops on the telephone or via live streaming through the Internet. Participation is free.

How do I register?
There are two ways to register:
• Call 800-813-HOPE (4673)
• Register online at www.cancercare.org/connect
After you have registered, you will receive additional information.

Missed a CancerCare Connect® Education Workshop?
A listing of featured programs is available by calling 888-337-7533, 24 hours a day, 7 days a week. You can also listen to previous workshops on the CancerCare website. Just log on to www.cancercare.org/podcasts.

Continuing Education Credits (Live Only)
Social Workers: Each program in this series has been submitted to The University of Texas MD Anderson Cancer Center, an approved provider through the Texas State Board of Social Work Examiners, provider #CS4607, for 1.0 Contact Hour.
Cancer Care, Inc. is recognized by the New York State Education Department’s State Board for Social Work as an approved provider of continuing education for licensed social workers #SW-0088. Each workshop in this series is approved for 1.0 Contact Hour.
Registered Dietitians: Each program in this series has been submitted to the Commission on Dietetic Registration for one Continuing Professional Education Unit (CPEU).
To request continuing education paperwork, please email your name, profession, and address to connect@cancercare.org after the program. All paperwork for continuing education credit must be requested, completed, and submitted within two weeks of the live program.

This activity is supported by Mirati Therapeutics, Inc., Pfizer and Takeda Oncology. CancerCare’s application for continuing education credits for this program is supported by the Diana Napoli Fund.

What’s New in Diagnostic Technologies for People Living with Solid Cancer Tumors

Workshop Topics
• Overview of Solid Cancer Tumors
• Definition of Diagnostic Technologies
• How Diagnostic Technologies Work & Are Used
• Examples of How Diagnostic Technologies Inform/Transform the Treatment of Solid Cancer Tumors
• The Role of the Pathologist
• Predicting Hereditary Risk
• Diagnostic Technologies, Biomarkers, Genomics & Precision Medicine
• Targeted Therapies
• Clinical Trials: How Diagnostic Technology Research Contributes to Treatment Choices
• The Increasing Role of Telehealth/Telemedicine Appointments
• Questions for Our Panel of Experts

Speakers
Mark G. Kris, MD
William and Joy Ruane Chair in Thoracic Oncology
Attending Physician, Thoracic Oncology Service
Department of Medicine
Memorial Sloan Kettering Cancer Center
Professor of Medicine, Weill Cornell Medical College

AI B. Benson III, MD, FACP, FASCO
Professor of Medicine
Associate Director for Cooperative Groups
Robert H. Lurie Comprehensive Cancer Center
Northwestern University

Kamel Abou Hussein, MD
Lead Physician, Breast Medical Oncology
MD Anderson at Cooper Cancer Center

Emilia Calvaresi, MD, PhD
Molecular Pathologist, Associate Staff, Section of Molecular Pathology, Laboratory Medicine, Cleveland Clinic Member, Patient Engagement Subcommittee
Association for Molecular Pathology (AMP)

Carolyn Messner, DSW, OSW-C, FAPOS, FAOSW
Director of Education and Training, CancerCare®
