What is a CancerCare Connect® Education Workshop?

CancerCare Connect® Education Workshops are a cost-free way to learn about cancer-related issues from the convenience of your home or office. Leading experts in oncology provide the most up-to-date information on the telephone and online.

How do I participate?
You can listen to this workshop on the telephone or via live streaming through the Internet. Participation is free.

How do I register?
There are two ways to register:
• Call 800-813-HOPE (4673)
• Register online at www.cancercare.org/connect
After you have registered, you will receive additional information.

Missed a CancerCare Connect® Education Workshop?
A listing of featured programs is available by calling 888-337-7533, 24 hours a day, 7 days a week. You can also listen to previous workshops on the CancerCare website. Just log on to www.cancercare.org/podcasts.

Continuing Education Credits (Live Only)
Social Workers: This program has been submitted to The University of Texas MD Anderson Cancer Center, an approved provider through the Texas State Board of Social Work Examiners, provider #CS4607, for 1.0 Contact Hour. CancerCare, Inc. is recognized by the New York State Education Department’s State Board for Social Work as an approved provider of continuing education for licensed social workers #SW-0088. This workshop is approved for 1.0 Contact Hour. Registered Dietitians: This program has been submitted to the Commission on Dietetic Registration for one Continuing Professional Education Unit (CPEU).
To request continuing education paperwork, please email your name, profession, and address to connect@cancercare.org after the program. All paperwork for continuing education credit must be requested, completed, and submitted within two weeks of the live program.

Workshop Topics
• Overview of Cervical Cancer, including Diagnosing and Staging, in the Context of COVID-19 & Its Variants
• Stages of Cervical Cancer
• Common Treatments for Cervical Cancer - Surgery, Radiotherapy, Chemotherapy, Targeted Treatments & Immunotherapy
• Combination Treatments
• How Precision Medicine & Testing Inform Your Treatment Decisions
• The Role of the Pathologist
• New & Emerging Treatment Approaches
• Biomarkers, Diagnostic Technologies & Sequencing of Treatments
• Updates on Clinical Trials
• How Research Increases Treatment Options
• Preventing & Managing Side Effects, Symptoms, Discomfort & Pain
• Nutritional Concerns & Tips
• Communicating with Your Health Care Team about Quality-of-Life Concerns
• The Increasing Role of Telehealth/Telemedicine Appointments
• Guidelines to Prepare for Telehealth/Telemedicine Appointments, including Technology, Prepared List of Questions & Discussion of OpenNotes
• Scheduling Follow-Up Care Appointments
• Questions for Our Panel of Experts

This activity is supported by an independent educational grant from Merck & Co. Inc. CancerCare’s application for continuing education credits for this program is supported by the Diana Napoli Fund.
