## What is the 2022 ASCO Annual Meeting?

The 2022 ASCO Annual Meeting provides a forum to learn about and discuss the important issues and ongoing controversies in cancer care across variety of disease sites, treatment approaches, and disciplines. The theme for this year's meeting encourages attendees to learn firsthand about some of the most recent innovations in oncology that will undoubtedly contribute to a future of more equitable cancer care. "Advancing Equitable Cancer Care Through Innovation" signifies the need to uncover fresh solutions that fundamentally improve the lives of all those touched by cancer, leading us towards a future of equity in cancer care.

Cancer specialists from around the globe gather in person or virtually at the 2022 ASCO Annual Meeting, which is the platform for the release of thousands of scientific abstracts—highly anticipated research news for people living with cancer, their families, partners, friends, health care professionals and the general public.

The 2022 ASCO Annual Meeting includes an outstanding lineup covering diverse and timely topics in cancer treatment, COVID-19, the latest findings from cancer trials, including new drug studies, which may change current standards of care and more.

## How will this CancerCare Connect® Education Workshop Series help you?

People living with cancer, their families, partners, caregivers, friends and health care professionals eagerly await the new data and information presented at this ASCO 2022 Annual Meeting. CancerCare's free Workshop Series will quickly communicate the new knowledge reported at the meeting in a format that is easy for you to understand. You will learn about new treatment approaches, recent developments in precision medicine, the role of clinical trials and much more.
