What is a CancerCare Connect® Education Workshop?

CancerCare Connect® Education Workshops are a cost-free way to learn about cancer-related issues from the convenience of your home or office. Leading experts in oncology provide the most up-to-date information on the telephone and online.

How do I participate?

You can listen to this workshop on the telephone or via live streaming through the Internet. Participation is free.

How do I register?

There are two ways to register:

- Call **800-813-HOPE (4673)**
- Register online at www.cancercare.org/connect

After you have registered, you will receive additional information.

Missed a CancerCare Connect® Education Workshop?

You can listen to previous workshops on the CancerCare website. Just log on to www.cancercare.org/podcasts.

Continuing Education Credits (Live Only)

Social Workers: This program has been submitted to The University of Texas MD Anderson Cancer Center, an approved provider through the Texas State Board of Social Work Examiners, provider #CS4607, for 1.0 Contact Hour.

Cancer Care, Inc. is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers #SW-0088. This workshop is approved for 1.0 Contact Hour.

Certified Health Education Specialists (CHES®): This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to 1 total Category I continuing education contact hour.

Cancer Care, Inc. is a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc.

To request continuing education paperwork, please email your name, profession, and address to connect@cancercare.org after the program. All paperwork for continuing education credit must be requested, completed, and submitted within two weeks of the live program.

About Us

For over 80 years, CancerCare has empowered millions of people affected by cancer through free counseling, support groups, educational resources, advocacy and financial assistance. Our oncology social workers improve the lives of people diagnosed with cancer, caregivers, survivors and the bereaved by addressing their emotional, practical and financial challenges.

To learn more, visit www.cancercare.org or call **800-813-HOPE (4673)**.
