What is the 2019 ASCO Annual Meeting?

The ASCO Annual Meeting brings together more than 32,000 oncology professionals from a broad range of specialties. This year's meeting explored the theme of "Caring for Every Patient, Learning From Every Patient."

Cancer specialists from around the world gathered at the 2019 ASCO Annual Meeting, which is the platform for the release of thousands of scientific abstracts—highly anticipated research news for people living with cancer, their families, partners, friends, health care professionals and the general public.

News announced during each meeting includes the latest findings from cancer clinical trials, including new drug studies, which may change current standards of care.

How will this CancerCare Connect® Education Workshop Series help you?

People living with cancer, their families, partners, caregivers, friends and health care professionals eagerly await the new data and information presented at this Annual Meeting. CancerCare's free Workshop Series will quickly communicate the new knowledge reported at the meeting in a format that is easy for you to understand. You will learn about new treatment approaches, recent developments in precision medicine, the role of clinical trials and much more.
