## What is the ASCO20 Virtual?

While oncologists are making every effort to support patients in this time of need, American Society of Clinical Oncology is bringing their annual meeting virtually. With ASCO20 Virtual, oncology professionals access the latest evidence-based science and education in oncology from the comfort of their home or office. Together, we can still unite and conquer cancer.

Cancer specialists from around the globe gather at the ASCO20 Virtual, which is the platform for the release of thousands of scientific abstracts—highly anticipated research news for people living with cancer, their families, partners, friends, health care professionals and the general public.

The ASCO20 Virtual Education Program includes an outstanding lineup of 90 education sessions and nearly 300 speakers from around the world, covering diverse and timely topics in cancer treatment, COVID-19, the latest findings from cancer trials, including new drug studies, which may change current standards of care and more.

## How will this CancerCare Connect® Education Workshop Series help you?

People living with cancer, their families, partners, caregivers, friends and health care professionals eagerly await the new data and information presented at this ASCO20 Virtual Meeting. CancerCare's free Workshop Series will quickly communicate the new knowledge reported at the meeting in a format that is easy for you to understand. You will learn about new treatment approaches, recent developments in precision medicine, the role of clinical trials and much more.
