

About Us

Founded in 1944, CancerCare is the leading national organization providing free, professional support services and information to help people manage the emotional, practical and financial challenges of cancer. Our comprehensive services include counseling and support groups over the phone, online and in-person, educational workshops, publications and financial and co-payment assistance. All CancerCare services are provided by oncology social workers and world-leading cancer experts. To learn more, visit www.cancercare.org or call **800-813-HOPE (4673)**.

What is a CancerCare Connect® Education Workshop?

CancerCare Connect® Education Workshops are a cost-free way to learn about cancer-related issues from the convenience of your home or office. Leading experts in oncology provide the most up-to-date information on the telephone and online.

How do I participate?

You can listen to this workshop on the telephone or via live streaming through the Internet. Participation is free.

How do I register?

There are two ways to register:

- Call **800-813-HOPE (4673)**
- Register online at

www.cancercare.org/connect

After you have registered, you will receive additional information.

Missed a CancerCare Connect® Education Workshop?

You can listen to previous workshops on the CancerCare website. Just log on to www.cancercare.org/podcasts.

This activity is supported by Bristol Myers Squibb, Novartis Oncology and Mirati Therapeutics, Inc.

Melanoma Wrap-Up of Part II

Gregory A. Daniels, MD, PhD
Professor of Medicine
UC San Diego Moores Cancer Center

What is the 2023 ASCO Annual Meeting?

The theme for this year's ASCO Annual Meeting asks attendees to look at how interactions between clinicians and patients have changed over the years. "Partnering With Patients: The Cornerstone of Cancer Care and Research" indicates the need to examine what has improved, what has deteriorated, and what can be done to make interactions between clinicians and patients better.

Cancer specialists from around the globe gather in-person and virtually at the 2023 ASCO Annual Meeting, which is the platform for the release of thousands of scientific abstracts—highly anticipated research news for people living with cancer, their families, partners, friends, health care professionals and the general public.

The 2023 ASCO Annual Meeting includes an outstanding lineup covering diverse and timely topics in cancer treatment, COVID-19, the latest findings from cancer trials, including new drug studies, which may change current standards of care and more.

How will this CancerCare Connect® Education Workshop Series help you?

People living with cancer, their families, partners, caregivers, friends and health care professionals eagerly await the new data and information presented at this ASCO 2023 Annual Meeting. CancerCare's free Workshop Series will quickly communicate the new knowledge reported at the meeting in a format that is easy for you to understand. You will learn about new treatment approaches, recent developments in precision medicine, the role of clinical trials and much more.
