What is a CancerCare Connect® Education Workshop?

CancerCare Connect® Education Workshops are a cost-free way to learn about cancer-related issues from the convenience of your home or office. Leading experts in oncology provide the most up-to-date information on the telephone and online.

How do I participate?

You can listen to this workshop on the telephone or via live streaming through the Internet. Participation is free.

How do I register?

There are two ways to register:

- Call **800-813-HOPE (4673)**
- Register online at **www.cancercare.org/connect**

After you have registered, you will receive additional information.

Missed a CancerCare Connect® Education Workshop?

You can listen to previous workshops on the CancerCare website. Just log on to **www.cancercare.org/podcasts**.

Continuing Education Credits (Live Only)

Social Workers: This program has been submitted to The University of Texas MD Anderson Cancer Center, an approved provider through the Texas State Board of Social Work Examiners, provider #CS4607, for 1.0 Contact Hour.

Cancer Care, Inc. is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers #SW-0088. This workshop is approved for 1.0 Contact Hour.

Registered Dietitians: This program has been submitted to the Commission on Dietetic Registration for one Continuing Professional Education Unit (CPEU).

To request continuing education paperwork, please email your name, profession, and address to connect@cancercare.org after the program. All paperwork for continuing education credit must be requested, completed, and submitted within two weeks of the live program.

About Us

Founded in 1944, CancerCare is the leading national organization providing free support services and information to help people manage the emotional, practical and financial challenges of cancer. Our comprehensive services include resource navigation, counseling and support groups over the phone, online and in-person, educational workshops, publications and financial and co-payment assistance. All CancerCare services are provided by master's-prepared oncology social workers and world-leading cancer experts.

To learn more, visit **www.cancercare.org** or call **800-813-HOPE (4673)**.
