

About Us

CancerCare® is a national nonprofit, 501 c(3) organization providing free, professional support services to anyone affected by cancer: people with cancer, caregivers, children, loved ones and the bereaved. CancerCare programs—including counseling and support groups, education, financial assistance and practical help—are provided by professional oncology social workers and are completely free of charge. For more information, call **1-800-813-HOPE (4673)** or visit www.cancercare.org.

CancerCare is pleased to have collaborated with the following organizations in offering this Workshop:

What is a CancerCare Connect Education Workshop™?

CancerCare's Connect Workshops are free and a way for people to learn about cancer-related issues from the convenience of their home or office. Leading experts in oncology provide the most up-to-date information on the telephone.

How do I participate?

You can listen to this workshop on the telephone or via live streaming through the Internet. Participation is free.

How do I register?

There are three ways to register:

- Mail this registration form to CancerCare®
- Call **1-800-813-HOPE (4673)**
- Register online at www.cancercare.org/connect

After you have registered, you will receive additional information.

Missed a CancerCare Connect Workshop?

A listing of featured programs is available by calling **1-888-337-7533**, 24 hours a day, 7 days a week. You can also listen to previous workshops on the CancerCare web site. Just log on to www.cancercare.org/podcasts.

Continuing Education Credits

Social Workers: This program is approved for 1.0 Contact Hour to social workers upon verification of completion. The University of Texas MD Anderson Cancer Center is an approved provider through the Texas State Board of Social Work Examiners, provider #CS4607.

Dietitians: This program has been submitted to the Commission on Dietetic Registration for one Continuing Professional Education Unit (CPEU).

Any questions about Professional Continuing Education Credits should be directed to: connect@cancercare.org.

This activity was made possible by Bristol-Myers Squibb; Genentech, a Member of the Roche Group; and an independent educational grant from Merck & Co. Inc.
