

## Could Lung Cancer Screening Save Your Life?

If you or someone you love is:

- ❖ 50 to 80 years old **and**
- ❖ **currently** smokes or has quit in the past 15 years **and**
- ❖ has at least a 20 pack-year smoking history (1 pack year = smoking a pack a day for a year or 2 packs a day for 10 years)

**\*\*No-cost screening\*\*** is available at any location in the **Mount Sinai Health System**.  
Metrocards will be provided for transportation to screening.

Call Mount Sinai Health Educators: at **212-824-7802**

### Early Detection Saves Lives
