

FREE WIG & PROSTHESIS CLINICS

Frannie received a free wig from CancerCare.

CancerCare's free Wig and Breast Prosthesis Clinics aim to empower women diagnosed with cancer to look and feel their best during treatment and beyond; to cope with dignity and confidence.

Our clinics are offered in New York, New Jersey and Connecticut locations. We also offer virtual appointments for people living in those locations.

WIG CLINIC

Women diagnosed with any type of cancer who are receiving chemotherapy are eligible to receive a free wig. During an individual 30-minute fitting, women have the opportunity to try on different wigs in a variety of lengths, colors and styles.

Our wig clinics are offered in New York, NY, Long Island, NY, Paramus, NJ and various locations in CT.

BREAST PROSTHESIS CLINIC

Women diagnosed with breast cancer who have had a mastectomy are eligible to receive a prosthesis and bra. During an individual 30-minute fitting, women can try on mastectomy bras and breast prostheses with assistance from a trained fitter.

Our breast prosthesis clinics are offered in New York, NY and Long Island, NY.
