TRANSPORTATION RESOURCES

Cancer brings many practical and financial challenges. The costs of treatment and medication can be very high. Other issues, like finding transportation to and from treatment, can also be difficult to arrange and may add to your stress.

CANCERCARE CAN HELP

CancerCare provides limited financial assistance for treatment-related transportation to people affected by cancer. As a nonprofit organization, funding depends on the sources of support we receive at any given time. If we do not currently have funding to assist you, our professional oncology social workers will always work to refer you to other financial assistance resources.

Eligibility

In order to be eligible for financial assistance you must:

- Have a diagnosis of cancer confirmed by an oncology health care provider
- Be in active treatment for your cancer
- Live in the U.S. or Puerto Rico
- Meet our eligibility guidelines of 250% of the Federal Poverty Limit

The first step to applying for financial assistance is calling 800-813-HOPE (4673) and speaking with a CancerCare oncology social worker to complete a brief interview. Our Hopeline is open from 10 a.m. to 6 p.m. ET Monday through Thursday, and 10 a.m. to 5 p.m. ET on Friday.

TRANSPORTATION RESOURCES

Here are other organizations that provide transportation resources for individuals affected by cancer.

Air Charity Network

www.aircharitynetwork.org
877-621-7177

Air Charity Network serves all 50 states and provides free flights to people in need of medical treatment.

Fisher House Foundation

www.fisherhouse.org

Fisher House Foundation operates a network of comfort homes where military and veterans' families can stay at no cost while a loved one is receiving treatment. Their Hero Miles program uses donated frequent flyer miles to bring family members to the bedside of ill service members.

Good Days

www.mygooddays.org
877-968-7233

Good Days helps patients with chronic medical conditions who have limited financial means with transportation.

Mercy Medical Angels

www.mercymedical.org

Mercy Medical Angels provides non-emergency, long-distance ground transportation to financially disadvantaged patients for treatment in the form of gas cards, bus tickets and train tickets. Special assistance for transportation to clinical care is also available for U.S. Military veterans.

National Volunteer Transportation Center

ctaa.org/national-volunteer-transportation-center
212-247-8356

The National Volunteer Transportation Center promotes and supports the concept and practice of volunteer transportation, which includes volunteer driver programs, shared vehicle utilization and ride-sharing initiatives.

CancerCare® Can Help

Founded in 1944, CancerCare is the leading national organization providing free support services and information to help people manage the emotional, practical and financial challenges of cancer. Our comprehensive services include case management, counseling and support groups over the phone, online and in-person, educational workshops, publications and financial and co-payment assistance. All CancerCare services are provided by master's-prepared oncology social workers and world-leading cancer experts.
