

# My Cancer History

**CANCER CHANGES EVERYTHING. CANCERCARE® CAN HELP.**

It can be helpful to keep a reference document with information about your cancer diagnosis, treatment and post-treatment care plan. These details can be shared with your primary care provider, with family members or if your treating health care team changes. Not all of the fields will apply to you; it is okay to leave some blank.

## Basic Information

Name: \_\_\_\_\_ Birthdate: \_\_\_\_\_

Primary cancer type: \_\_\_\_\_ Age at primary diagnosis: \_\_\_\_\_

How I was diagnosed: \_\_\_\_\_

\_\_\_\_\_

My treatment center(s):

\_\_\_\_\_

Members of my care team:

\_\_\_\_\_

For any medical questions, the following care team member should be contacted:

Name: \_\_\_\_\_

Contact information: \_\_\_\_\_

My treatment type(s) and frequency:

\_\_\_\_\_

Secondary cancer types, metastases or recurrences:

\_\_\_\_\_
