Women's Cancers Program Gynecologic Cancers Live Support Group

A diagnosis of cancer can come when you least expect it and it changes your world completely.

CancerCare is currently recruiting participants who are diagnosed with any type of gynecological cancer and are currently receiving treatment. This is an opportunity to connect with other women nationally and discuss the specific challenges that may arise when diagnosed with gynecological cancer.

This group is led by a professional oncology social worker and will run for twelve weeks.

FOR MORE INFORMATION

Please contact our Hopeline at 800-813-HOPE (4673) or email supportgroup@cancercares.org.

This program is free, but pre-registration is required.
