Help and Hope

FREE PROFESSIONAL SUPPORT SERVICES

CancerCare helps individuals, families, caregivers and the bereaved cope with the emotional and practical challenges of cancer. Our services include case management, counseling, support groups, educational workshops, publications and financial assistance. All of our services are provided by master's-prepared oncology social workers and are offered completely free of charge. To learn more, visit www.cancercares.org.

Living Beyond Cancer: Young Adult Late Survivorship Support Group (1.5 - 3 years) Weekly Support Group

Has it been 18 months or more since completing treatment and you're still struggling to adjust? Just because treatment has ended doesn't mean the emotional and physical impacts of treatment are over, even years later. This group will provide a safe and supportive space for young adults to process the emotional and physical impacts of treatment 18 months to 3 years after treatment has ended.

DESCRIPTION

CancerCare is offering a free, 12-week live support group for people in New York and New Jersey in their 20s and 30s who have completed treatment 18 months to 3 years ago. This group will provide a safe place to exchange support, get information and receive guidance while discussing the unique challenges of living through post-treatment survivorship.

START DATE

This support group meets on Tuesdays from 5:30 p.m. to 7 p.m. ET.

This group will utilize a secure video platform. Group members will still have the option to call in if they do not have access to video technology.

REGISTER

Space is limited and pre-registration is required. For more information or to register, call our Hopeline at 800-813-HOPE (4673) or contact Lauren Bronstein, LMSW, at 212-712-8421 or lbronstein@cancercares.org.
