

ONLINE SUPPORT GROUPS

CANCERcare®

When you are affected by cancer, community is what matters most. CancerCare's free online support groups connect patients, caregivers and the bereaved for shared support, understanding and resources. Each 15-week group is moderated by a professional oncology social worker with the goal of creating a confidential and safe place for all members.

BENEFITS OF ONLINE SUPPORT GROUPS

- Private, password-protected groups using a "Bulletin Board" message format
- Free of charge
- Available 24/7 for reading and posting messages
- Group members are screened prior to joining
- Accessible from the privacy and comfort of your own home
