Living With Cancer: General Patient Support Group

Biweekly Live Support Group

A diagnosis of cancer can come when you least expect it. Suddenly your world has changed. You may feel overwhelmed and anxious and have questions about what lies ahead. The opportunity to connect with others living with cancer can help you feel less alone.

DESCRIPTION

CancerCare is offering a free, 12-week live support group for people diagnosed with cancer in both New York and New Jersey who are receiving a form of active treatment (which may consist of surgery, chemotherapy, radiation, hormonal treatments and/or advanced cancer treatment). This group will provide a safe place to exchange support, get information and receive guidance while discussing the unique challenges of living with a cancer diagnosis.

START DATE:

This group meets biweekly on Tuesday evenings, from 5:30 p.m. to 7 p.m. ET.

This group will utilize a secure video platform. Group members will still have the option to call in if they do not have access to video technology.
