CancerCare is offering a free, biweekly live support group for people in New York between the ages of 20-39 who have been diagnosed with cancer and are receiving a form of active treatment (which may consist of surgery, chemotherapy, radiation, hormonal treatments and/or advanced cancer treatment).

Space is limited and pre-registration is required.

BIWEEKLY ON TUESDAYS FROM 5:30 p.m. - 7 p.m. ET

This group will provide a safe place to exchange support and receive information and guidance while discussing the unique challenges of living with a cancer diagnosis.

This group will be held virtually using Zoom. If you are not able to use the video function, you will also be able to call into the group.
